

THE INSTITUTION OF FIRE ENGINEERS

FOUNDED 1918 • INCORPORATED 1924

## Full Time Education (FTE) Student Membership

### The Benefits

- Electronic access to the monthly Fire Risk Management journal
- Membership card and certificate
- Discounted publications , conferences and training events
- Guidance to enhance career prospects
- An opportunity for career progression through a range of examinations accredited by Ofqual
- Support for education, training and Continuing Professional Development (CPD)
- An opportunity to network with fellow professionals throughout the UK and worldwide through branches, meetings and social functions
- A dedicated Members Only area on the IFE website, giving access to selected publications and online discussion forums
- Access to a Young Professionals' Network
- Involvement in Special Interest Groups for the discussion of issues in fire engineering

### Who is it for?

IFE FTE Student membership is available to those who are in full time education and are on a graduate level fire engineering or fire related course.

### What does it cost?

2010 fees have been frozen at the 2009 rate in the light of the current economic climate. FTE Students submit a one off subscription payment at the current year subscription rate and membership will expire on 31 December following your graduation.

**UK Student** £38

**Overseas Student** £27
