

THE INSTITUTION OF FIRE ENGINEERS

FOUNDED 1918 • INCORPORATED 1924

Student Membership

The Benefits

- Free subscription to the monthly Fire Risk Management journal
- Membership card and certificate
- Discounted conferences and training events
- Guidance to enhance career prospects
- An opportunity for career progression through a range of examinations accredited by Ofqual
- Support for education, training and Continuing Professional Development (CPD)
- An opportunity to network with fellow professionals throughout the UK and worldwide through branches, meetings and social functions
- A dedicated Members Only area on the IFE website, giving access to selected publications and online discussion forums
- Access to a Young Professionals' Network
- Involvement in Special Interest Groups for the discussion of issues in fire engineering

Who is it for?

IFE student membership is available to those that are following an ongoing programme of study, including IFE qualifications.

What does it cost?

The subscription year runs from January to December and 2010 fees have been frozen at the 2009 rate in the light of the current economic climate.

UK Student	£38
Overseas Student	£27
