

Charitable Educational Foundation (CEF)

Guidance for applications to the IFE Charitable Educational Foundation

Purpose

The IFE Charitable Educational Foundation (CEF) has been established to fund scholarships that are within the charitable context of the Institution of Fire Engineers and that meet charity test areas.

Charitable Context

To promote, encourage and improve the science and practice of fire extinction, fire prevention and fire engineering and all operations and expedients connected therewith and to give an impulse to ideas likely to be useful in connection with, or in relation to such science and practice to the members of the Institution and the community at large.

Charitable test areas

1. The prevention or relief of poverty
2. Advancement of education
3. The saving of lives
4. The advancement of community development

Application process

All applications are carefully reviewed by a panel of CEF Trustees appointed by the Board of Directors. The process for applying for funding is as follows:

1. Completion of the CEF application form
