### \*Level 3 Certificate, Fire Safety (L3C3) and Level 3 Certificate, Management and Administration (L3C4)

Candidates who wish to sit **both** the Level 3 Certificate, Fire Safety and the Level 3 Certificate, Management and Administration examinations will be able to take both of these papers during the afternoon. Candidates should complete the L3C3 examination first. At the end of the one-hour examination period (ie 2.30-3.30pm), the examination centre will need to remove the materials relevant to L3C3 and replace these with the examination paper for L3C4 and a new answer book to be used when completing the L3C4 examination. Candidates will then sit the L3C4 examination between 3.30 and 4.30pm. Centres/Candidates do not need to advise the IFE of this arrangement as this will be automatically processed at the point of examination booking.

Candidates who are taking only the Level 3 Certificate, Management and Administration examination should take this paper in the allocated slot of 2.30-3.30pm.

**Timetable clashes:** If candidates wish to take two examinations (other than L3C3 and L3C4) that are currently scheduled at the same time, please contact the IFE to discuss possible alternative arrangements by emailing [exams@ife.org.uk](mailto:exams@ife.org.uk)
